For my outdoor enthusiasts who love adventure and nature and everything else in between! The colors are a great mix of grey, blue, evergreen, a little bit teal and eggplant too! A nice change once I figured out what my eye was drawn to for color combos. I designed 8 pages with (2) 6x12 flip flaps which really add on extra photo opps. The title page "the Mountains are calling" can be used for your favorite outdoor adventure. You can probably add another page if you need too (two) for a full page spread, but I kind of like this on its own. [Watch my VIDEO on AURORA HERE.](#)
