

CC122012 BLOSSOM Bring Back My Pack Scrapbook Kit: 8 pages

One of the best things about Blossom is the color palette. Fun shades of blue and oranges with a pop of green make it a delightful kit to create with. I love the stamp/thin cut set as the titles are useful and the flowers effective. Solid flowers mean no coloring in and they POP with color! Love that! I was also able to add a nice diversion by using out previous purchases from the Nov/Dec Mixins paper and you should have the pattern from our Wood Paper. I am thrilled to be able to include ideas using up items from our stash. Win win!

This is the Workshop Kit I used, but there is one higher in price with includes a stamp set for cards. [Click this LINK to view.](#)
