

FEBRUARY Kit of the Month: SWEET MEMORIES Scrapbooking & Card Kit

SWEET MEMORIES ... for Yesterday, Today or Tomorrow

You'll enjoy creating *all NEW Designs for these layouts* featuring our newest collection, SWEET MEMORIES! Don't even think it's all about the past because you'll be very pleased with a fresh palette to use for today's photos too!

Think about *combining photos from yesterday and today ON the SAME layout*. Print photos in black and white to adorn a set of pages no matter what season or color clothing in your snapshots.

Enjoy elevated creativity with STENCILING! We are blender brushing our papers using our Stencil Pack 2: the brick, clock, diamond background and saying onto some pages. Just a soft stroke of color to enhance the designs. Oh la la!

Oh don't forget to dig through your stash for the *'photo/film strip' thin cut* we used from In Full Bloom card kit (from a year ago). This is perfect on layout 3! If you don't have it and would like me to make the 3 strips for you, \$4 is all you need to Venmo me for these thin cuts to be shipped to your door! BTW, there will NOT be an Online Event for Sweet Memories.

- There is a **\$50 minimum requirement of product** on [my website](#) to receive the cutting guide
